

## PROMISED LAND

We didn't have a lot of fun in the desert.  
We didn't have a lot of fun in the sand.  
But saddle up your cow — it's all behind us now!  
Because we're goin' to the Promised Land!

For years I've eaten nothing but manna!  
A dish that is filling, but bland.  
But now we're on our way, I'll have a cheese soufflé!  
Because we're goin' to the Promised Land!
